Rare beachfront apartment offering double exposure. This two-room apartment is completely renovated with high quality materials.

This spacious and chic apartment has been completely renovated with high quality materials by a talented interior designer. It is one of the few apartments in the Principality located directly on the seafont and offers splendid views of the Mediterranean, the Port of Fontvieille, the Rock with the Palace and the Oceanographic Museum.

The apartment is composed of an elegant entrance hall opening onto a dining room with an open kitchen. The lounge area opens onto a balcony with sea view. The elegant master bedroom has beautiful volumes and benefits from two terraces with divine views. The en-suite bathroom has been sublimated by Carrara marble

walls.

Directly on the port of Fontvieille, the apartment is close to many restaurants as well as the shopping center of Fontvieille which makes it an ideal pied-à-terre.

The apartment is sold with a parking space and a cellar.
