« This new apartment is truly exceptional thanks to its seafront position in the new Mareterra waterfront district; its very generous volumes, its vast fully opening terraces with bay windows that vanish to create a seamless indoor/outdoor lifestyle, and its refined, luxurious finishes and amenities. It features a triple reception room, a fitted kitchen with dining area, a master suite of over 100m² with triple exposure, a dressing room for her and one for him, as well as a remarkable, spectacular marble bathroom, two suites of more than 50m² each, a laundry room and two guest toilets.

Sold with double parking, plus a single parking space and a cellar completing this rare opportunity.

The 'Le Renzo' residence seems to float above the water. A masterpiece by world-renowned architect Renzo Piano, it offers residents a fitness centre, a swimming pool, a spa relaxation area, and 24-hour security and concierge services.

This new Mareterra seaside district,

inaugurated only months ago, now features luxury boutiques from prestigious international brands, a marina, gourmet restaurants and a superb waterfront promenade. »
