A rare opportunity to own a waterfront home at Le Renzo, Monaco's most elite address. Panoramic sea views, world-class amenities, and unmatched prestige await.

Le Renzo is a landmark waterfront residence located in Mareterra, Monaco's newest luxury district. Set along the Mediterranean shoreline, this prestigious development offers a rare opportunity to own a home in one of the most exclusive coastal settings in the world. Each residence is designed with generous proportions, refined finishes, private balconies with sweeping sea views, and contemporary kitchens and bathrooms equipped with the latest technology. Le Renzo is crafted for those who value both elegance and privacy, combining architectural sophistication with the serenity of a prime seafront location.

Residents enjoy access to an outstanding collection of amenities including concierge service, 24-hour security, a swimming pool, fitness center, hammam, spa, wine room, business center, hairdresser, and a dedicated children's room. Whether you're seeking a permanent home, a luxurious holiday escape, or a high-value investment, Le Renzo stands as a symbol of exceptional coastal living in the heart of Monaco.
