Rare! Magnificent villa perfectly embodying the style of the French Riviera with building land in the heart of the city center of Saint Jean, a stone's throw from the port and shops.

Ideally located close to the village centre, the harbour and shops, this charming 1930s property embodies the timeless elegance of the Riviera. Nestled in a quiet, green setting, it offers spacious interiors and great potential for extension.

The villa is spread over several levels and is composed as follows:

Garden level: large summer lounge opening onto the garden, bedroom with shower room, separate WC, laundry room and cellar.

Ground floor: entrance hall, guest WC, fully equipped modern kitchen, large lounge/dining room with fireplace.

First floor: three bedrooms, each with its own bathroom.

Second floor: bright study offering a pleasant sea view.

A building permit has been granted and purged for the construction of a second villa, a swimming pool and an underground car park for up to five vehicles, offering great potential for extension and enhancement of the property.

This rare property combines charm, a prime location and development potential in the heart of one of the most sought-after areas of the French Riviera.
