This property, halfway between an apartment and a villa, is set within an intimate residence of only six units. It comprises a fully equipped open-plan kitchen, a spacious living and dining area opening onto a beautiful terrace with sea views and views over the Principality, two en-suite bedrooms each with access to a terrace, as well as a third bedroom with a separate shower room and toilet. The true highlight of this property lies in its two terraces made of exotic wood. True extensions of the living space, they offer a breathtaking panoramic view of the sea, the coastline, and the Principality of Monaco. A permit has been granted for the construction of a 2,5mx8m swimming pool. Two outdoor parking spaces and a cellar complete this property.
