Ce document ne fait partie d'aucune offre ou contrat. Toutes mesures, surfaces et distances sont approximatives. Le descriptif et les plans ne sont donnés qu'à titre indicatif et leur exactitude n'est pas garantie. Les photographies ne montrent que certaines parties de la propriété. L'offre est valable sauf en cas de vente, retrait de vente, changement de prix ou d'autres conditions, sans préalable.

Currently intended for commercial premises, this property can be transformed into an apartment, the requests for change of use to the DPUM as well as the condominium manager having already been undertaken and validated.

A project for the future state of the "residential" façade was also carried out by an architectural firm and validated by the urban planning authorities as well as by the co-owners of the building.

Thus, only renovation work and modification of the façade (if change of use) will be required by the buyer.
