Located in the prestigious Palazzo Leonardo, this luxury apartment enjoys a dominant position and a panoramic view of the Mediterranean. It occupies a full floor and offers remarkable volumes, designed for an elegant and discreet art of living.

The interior distribution favours space and fluidity, with several reception rooms, separate offices and a large kitchen with dining room, allowing an ideal organisation between privacy and representation spaces. The four bedrooms blend harmoniously into the whole, accompanied by generous bathrooms and a dedicated TV lounge.

The apartment provides a rare basis for creating a fully customized interior, highlighting natural light, southwest exposure, and wide openings to the sea. A wellness area and an air-conditioned wine cellar complete this property with already very successful services.

The Palazzo Leonardo residence offers a secure and confidential environment with permanent concierge service and pool access.
