Independent offices in a coworking space with many advantages and easily accessible by car without having to access the center of Monaco.

Located in the Jardin Exotique district of Monaco, two private offices of 13 m² with windows are available for rent from €1,850/month.

These spaces are an ideal solution for professionals looking for a functional, quiet and confidential work environment.

These offices are ideal for administrative, consulting or back-office activities that require concentration and peace of mind.

Occupants have access to the centre's shared spaces, including business lounges, a coffee and beverage area, multimedia areas and meeting rooms, allowing them to work or receive clients in a neat professional setting.

The Jardin Exotique district is appreciated for its peaceful atmosphere and good accessibility from the Middle Corniche. It is also well connected to Fontvieille and the main business districts of the Principality.
