The entrance opens onto a welcoming space leading to a bright living room, embellished with a fireplace that structures the living room with elegance. The fully equipped Gaggenau open-plan kitchen blends harmoniously into the whole and extends onto a terrace, providing natural continuity between interior and exterior. The bedroom, with a dressing room, benefits from a functional layout, completed by a shower room. A second shower room with Effegibi hammam enriches the daily comfort, while a guest toilet completes the set. The materials and equipment reflect a demanding selection, with a Meljac electrical system, Crema Marfil marble and Sicis mosaics with neat lines.

This apartment offers a successful living environment, where every detail has been thought out for comfort. A visit will allow you to fully appreciate its balance and quality.
