Seasonal rental — 5 bedrooms, Heights of Villefranche-sur-Mer

Set on the heights of Villefranche-sur-Mer, in a commanding position, this architect-designed villa of 295 sqm on 4,600 sqm of landscaped grounds stands as one of the most remarkable addresses on the French Riviera. Conceived by a celebrated architect and integrated with rare elegance into its stone surroundings, it commands an unobstructed view over the Mediterranean from every level.

A glass-panelled lift serving all three levels frames a permanent sea panorama with every journey — an architectural detail that speaks to the exceptional care invested in this property. The villa offers five ensuite bedrooms, each with its own private bathroom, within generous volumes and finishes of the highest standard.

The wellness facilities are commensurate with the address: a heated infinity pool, a private jacuzzi for up to 10 guests and a fully equipped gym compose a complete space for restoration, without ever leaving

the property.

The landscaped outdoor spaces offer an elegant lounge area with panoramic views — an exceptional setting for sunsets over the Mediterranean. The villa also benefits from a privileged view over the Villa Léopolda and its gardens, one of the most iconic estates on the Riviera.

Access is via a secured private road, with parking for more than 5 vehicles — ensuring complete privacy and tranquillity throughout the stay.

A prestige villa to rent on the French Riviera, rare in its architecture, its position and the quality of its amenities — for an exceptional stay in Villefranche-sur-Mer.
