room, dining room and an open-plan kitchen flowing onto the terraces. The five suites with private bathrooms offer each occupant an absolute retreat, finished with the material quality and precision of detail that a residence of this standing demands.

The outdoor spaces are equally resolved: a large sun-drenched swimming pool, a Mediterranean garden, a summer kitchen, a sauna, a wine cellar, a utility room and extensive private parking for multiple vehicles complete an ensemble considered in every respect.

Minutes from Monaco and the Italian border, in the most prestigious residential neighbourhood of Roquebrune-Cap-Martin — a work of architecture, as much as a home.
