An efficient and affordable workspace option in Monaco, suitable for independent professionals or small structures.

Unlike many small offices that are often windowless, the office offers lots of natural light and is ideal for administrative, consulting, or back-office activities requiring a quiet and focused environment.

The building's concierge service is an undeniable additional asset for receiving your mail and your clients. The office also provides access to the affiliated offices in the Carré d'Or and Fontvieille, where you can use business lounges, snack bars, and multimedia areas.

The Jardin Exotique area is appreciated for its calm atmosphere, excellent accessibility, and proximity to the city center, with convenient access to public transport, parking facilities, and nearby amenities. It also benefits from quick connections to Fontvieille and the Principality's main business districts.
