Completed in 2023, this contemporary 700 m² villa embodies modern Mediterranean luxury, combining bold architectural lines with expansive glass walls opening onto the surrounding nature. Double-height living spaces, filled with natural light, are centred around a high-end kitchen with a central island. The villa offers five en-suite bedrooms, including an outstanding principal suite.

The lower level is dedicated to wellness and leisure, featuring a cinema room, temperature-controlled wine cellar and fitness room.

Outdoors, a heated 14 × 4 m swimming pool, terraces and a summer kitchen complete this refined landscaped setting.

An elevator serves all levels.
