Contemporary architect's villa, delivered turnkey, in the heart of the mythical Cap Ferrat.

Freshly delivered after a total renovation, this property with swimming pool enjoys an ideal location in Saint-Jean-Cap-Ferrat, with particularly easy access.

The lower level hosts four en-suite bedrooms, as well as a screening room and a spa area with massage room.

On the main level are a superb master suite with large dressing room, as well as an elegant living room opening directly onto the terrace, the swimming pool and the landscaped garden. Deliberately contained, the latter offers a refined green setting while allowing reasonable maintenance.

The roof terrace, enhanced by its view, is a real additional living space, ideal for taking full advantage of the climate and the privileged atmosphere of Cap Ferrat.
