Just steps from the Carré d'Or, in the iconic Riviera Palace residence, this beautifully renovated 148 sqm apartment offers refined living with breathtaking views of the sea and Monte Carlo Casino. It will be delivered fully furnished in a sleek, contemporary style.

The apartment includes a large entrance hall, a spacious double living room bathed in light and an independent, fully equipped kitchen. The layout highlights clean lines and generous volumes, sublimated by high-end finishes: light veined marble, bleached oak wood, champagne brass and natural textiles with warm textures. The play of indirect light, the golden touches and the sculptural decorative elements give the whole a sophisticated, discreetly luxurious and resolutely welcoming atmosphere.

On the night side, two comfortable bedrooms each have their own private bathroom, plenty of storage space and access to a balcony, ensuring comfort and privacy. A guest toilet completes the set. A parking space in the building is included, with the possibility of acquiring others at an additional cost.

The Riviera Palace residence, both quiet and central, benefits from an ideal location in the immediate vicinity of the most renowned shops and restaurants in the Principality. A turnkey property, thought out down to the smallest detail, combining contemporary design, neat services and exceptional views.
