The property enjoys all the benefits of the Gigaro seafront while remaining peacefully tucked away at the edge of a protected natural area.

The existing 151 sqm house comes with two approved and cleared building permits for a complete renovation and extension. The authorized projects offer a total of 241 sqm of living space over two levels with views of the Gigaro hills:

Permit 1: On the ground floor, next to a double garage, the entrance leads into a dining area with a fully equipped kitchen, followed by a bright and spacious living room. A beautiful master suite with dressing room and bathroom enjoys both sunrise and sunset. Upstairs features 4 bedrooms, each with its own shower room, separate toilets, and a laundry room.

Permit 2: On the ground floor: a kitchen, dining area opening onto a bright living room, and 3 en-suite

bedrooms with dressing rooms, all with access to the pool area. Upstairs: 2 spacious en-suite bedrooms, each with a dressing room.

The entire home opens onto a west-facing terrace with a summer lounge and a dining area set back from the pool, which is south-west facing. The 9x4.5 m pool is set into a beautifully landscaped garden and opens onto a stunning view of the protected natural surroundings of Gigaro.

Gated estate, mains drainage, fiber optic internet, bordering a protected and unbuildable natural zone, permits approved and cleared of all appeals.
