Nestled in the heart of Cap d'Antibes, Villa Rive Bleue stands out for its bold architecture and refined décor. Its sleek and modern design blends harmoniously with the seaside landscape that surrounds it. Its interior is a true tribute to contemporary art, where each room is a living tableau with soft colors, punctuated by noble materials.

Start your day with an invigorating swim in the heated pool while watching the sunrise over the sea. After a leisurely breakfast in the tropical garden, set off to explore the city's charming alleys. Take time for lunch at one of the many local restaurants before spending the afternoon relaxing on one of the nearby beaches. When you return, prepare a barbecue in the villa's garden and then, if the weather cools down, end the day in style with a cosy evening by the fire.
