EXCLUSIVITY – A privileged address, an exceptional sea view and great potential for appreciation.

Ideally located between the charming villages of Biot and Valbonne, within a prestigious closed and secure residential estate, with a caretaker and tennis courts, this Provencal villa enjoys a dominant position at the top of a hill, offering a splendid panoramic view of the Mediterranean.

On the edge of large protected natural areas, it benefits from a green and preserved environment, conducive to calm and serenity, while remaining close to the main activity centers and amenities of the French Riviera.

The villa includes a large entrance hall, a bright living room with fireplace, a dining room, a large separate kitchen and a laundry room. Three ground-floor bedrooms make up the first sleeping area.

On the upper floor, the master suite opens onto a private terrace with sea view. A second spacious bedroom, with its own bathroom, completes this level.

Refreshing work will reveal the full potential of this property and personalize it according to the wishes of its future owners. Expansion possibilities are an additional asset, offering the prospect of developing a quality real estate project in a particularly sought-after setting.

Built on a superb landscaped plot of 2,300 m², the property has a swimming pool, numerous terraces ideal for relaxation and receptions, a pétanque court and several fruit trees. Its south-facing exposure ensures generous sunshine throughout the year.

A strategic location between nature, sea and amenities: shops, Sophia Antipolis and international schools 5 to 10 minutes away, golf courses 10 minutes away, beaches 15 minutes away and Nice international airport about 30 minutes away.

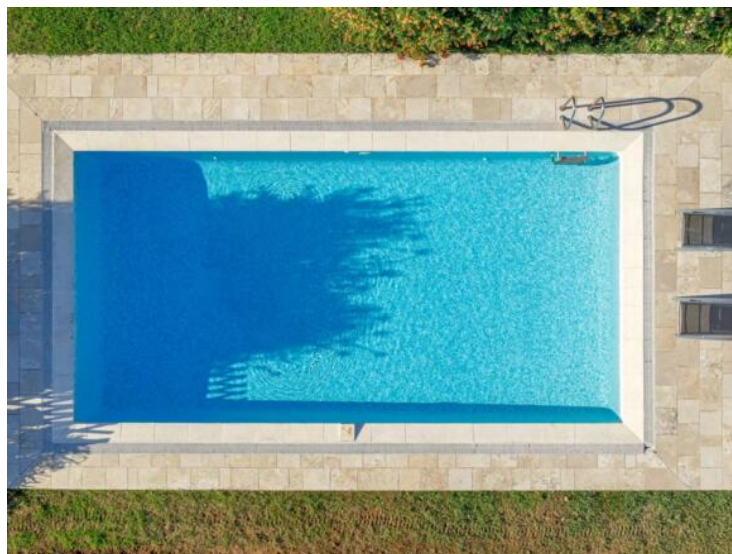

A rare opportunity to create a property to your image, combining Provencal charm, Mediterranean panorama and value potential in the heart of a sought-after residential estate.
