Situated on the iconic " Domaine Privé du Cap Martin " and only a stone's throw from Monaco, it is part of a magic world of fabulously grand properties dating back to 1890 and built in the midst of vast gardens stretching down to the Mediterranean.

A rare world of beauty and serenity, and enjoying the privileges of calm, privacy and safety.

The "VILLA" was designed and decorated by Tommaso Buzzi and has a beautiful lawned garden, more than one hectare in area, stretching down to the sea. It has its own sun-bathing platform and direct access to the sea water. In addition, a large 20 meter seawater swimming pool and its surrounding facilities can accommodate more than 100 guests on a vast terrace offering striking sea views of Monte Carlo.
