Villa On The Sea is a contemporary home with stunning sea views tucked into the quiet hillsides overlooking the bay of Eze, only 15 minutes away from Monaco.

Well thought out design allows this villa's interior spaces to be as close to the sea as possible. Built up and wide, rather than deep, allows for more of the interior to face the Mediterranean. Floor-to-ceiling sliding doors on nearly every south facing wall open to allow the fresh sea air to flow freely. Inside, the decor is modern-chic, with a minimalistic approach. Clean, straight sight lines and lots of glass accentuate the open-concept layout. And in the kitchen, high-end stainless steel appliances and functional granite countertops make meal prep a delight. Outside on the terrace, gaze out towards the majestic cliffs and sea views from the relaxing comfort of the infinity pool or one of its surrounding lounge chairs. Villa On The Sea comes with satellite television, Apple TV, Netflix, and Wi-Fi. If you're feeling more social, there's formal dining for eight, a wet bar, wine fridge, and a grand piano for the entertainer in your entourage. Villa On The Sea's coastal location makes navigating the surrounding areas a breeze: 15 min to Monaco / 30 min to Nice and to the airport / 40 min to the Italian border / 55 min to Cannes
