WATCH THE MONACO F1 GRAND PRIX IN
EXCEPTIONAL CONDITIONS!

Located in the heart of the circuit, the terraces of the Beau Rivage building offer an exceptional view of the circuit.

You'll be overlooking the famous "Sainte-Dévote" bend, a rare overtaking zone on the circuit, as well as the climb up from Ostende to the Casino, where you can admire the cars at close quarters. Finally, you can follow the race along the pool road from the panoramic view overlooking the port.
