This lovely studio apartment completely renovated with luxury amenities in the Historic "Le Roche" district of Monaco

This lovely studio apartment completely renovated with luxury amenities. The layout was strategically planned, and contains a large terrace overlooking the port of Monaco. The view is breathtaking and the setting exceptional for Formula 1.

The apartment is located in Monaco-Ville, a historical and statistical district of Monaco that lies on a rocky headland extending into the Mediterranean Sea. Also known as Le Rocher, it is home to many of Monaco's landmarks, such as the Prince's Palace, the Cathedral, and the Oceanographic Museum. Monaco ville offers a glimpse into the rich history and culture of Monaco, with its colorful houses, narrow streets, and panoramic views.
